JUDGMENT

In essence the grievance of the petitioners is that the respondents are violating the decree which has been passed by the Munsiff's Court, Kochi. But as rightly pointed out by the learned Government Pleader, there is a decree on the counter claim which was lodged in the suit by the respondents also. I am of the view that the petitioners and the respondents are to work out their remedies for grievances, if any, before the execution court. With the above observation, this Writ Petition is closed without entering any findings on the merits of the grounds raised.
